

### 19. NO WALL CHANT *(Pink Floyd)*

*We don't need no racist nation. We don't need no ICE patrols. You're the only infestation. Trumpie! leave them kids alone! All in all, you're just another prick with no wall.* x2

### 20. WE WILL STOP YOU *(Queen; Leydorf/Stein)*

Donny you're an ass—makin' big noise, tweetin' in the night, doin' nothin' but golf all day!

You got mud on your face, you big disgrace, spreadin' your lies all over the place! (Sing it!)

**We will, we will stop you!** x2

Donny you're a lyin' traitor, suckin' up to Russia, the Kochs & the NRA.

You got blood on your face, you big disgrace, spreading your hate all over the place. (Sing it!)

**We will, we will stop you!** x2

Donny, you're a sick man, lost man—Time is runnin' out, gonna send you to jail one day.

Just a dud and disgrace, a big nut case:

Resisters gonna put you back into your place. (Sing it!)

**We will, we will stop you!** x2

### 21. THE TRUMP ADMIN *(Addams Family; Steinberg/Leydorf)*

**CHORUS** *Dadadadum Dump Trump! Dadadadum Dump Trump! Dadadadum, dadadadum, dadadadum, Dump Trump!*

The Trump Administration, just might destroy the nation, They prize the corporation, despise the common man.

The trouble is they're traitors, and double-dumb dictators, They huddle up with haters, and kuddle with the clan. **CHORUS**

Below the Mason-Dixon, they love their naughty Nixon,

They find the fool transfixin' — and swallow every lie.

The coal they're keen on mining, the kids they are confining,

If wages keep declining, don't blame the MAGA guy. **CHORUS**

You know we'd better wake up, ensure there is a shake-up,

The time is short to make up, we have to vote them out! Dump Trump!

### 22. BALONEY *(Oscar Meyer; Leydorf)*

This baloney has a first name, it's T R U M P.

This baloney has a second name, the racist G O P.

They wreck the country every day: We have to drive them all away...

The Trump G O P, N R A, the Nazis and the K K K.

### 23. PUPPET KING *(Dancing Queen; Leydorf/Stein)*

*You can dance, you can ji-ive, tweeting out lie after lie...*

*Oo-oo-oo, see that fool, so obscene. Poor little puppet king*

You keep sayin' you are so tough...

Fightin' words all the fascists...love.

Tariffs where there were treaties, stirrin' up the hate, will never make us great.

Anybody can see the truth... You're a traitor, we got the...proof

Went to hell in Helsinki—such a sorry show.

You made it really clear... You obey Vladimir... >>

>> **CHORUS** *You are the puppet king:*

*Dan-gle-ing from your Russian strings!*

*Puppet king: The KGB owns the GOP! Oh, yeah!*

*You can dance, you can ji-ive, tweeting out lie after lie...*

*Oo-oo-oo, see that fool, so obscene. Poor little puppet king!*

Was it blackmail or bribery? Dirty money or maybe...pee?

Long as you go to prison—we don't really care.

Justice is getting near... Go cry to Vladimir... **CHORUS**

### 24. WE WILL SURVIVE *(Gloria Gaynor; Leydorf)*

At first we were afraid, we were petrified,

by the sight of all those nasty Nazis by your side.

And we spent so many nights assuming you were such a clown, that you'd go down—but then the Kremlin came to town!

And you came back with Kislyak. Today you're busy blowing Vladimir to thank him for the hack.

We should have changed the stupid vote and counted democratically.

Should have known that fools and traitors run the goddamn GOP!

**CHORUS** *Go on now, go, you Russian whore!*

*Just turn around now, cuz you're not welcome anymore.*

*Aren't you the fool who tried to break the FBI?*

*Did you think we'd crumble?*

*Did you think we'd lay down and die?*

*Oh no, gurl, bye! We will survive—*

*Oh, as long as we are stuck with you, the fight will stay alive.*

*And thru every turn and twist,*

*we'll have the courage to resist—*

*We'll survive! We will survive! Hey, hey!* **DANCE BREAK**

You got all the cash you need from the NRA

and billionaires who paid to make their taxes go away.

But character is destiny and you're a psychopathic ape:

You can't escape—it's coming soon, the pee-pee tape!

With every week...you spring a leak—

Your cagey AG, Billy Barr, thinks you're the Czar,

the fuckin' freak.

Well if Mueller couldn't do it, Nancy's gonna seal your fate:

Yer gonna wish yer name was Nixon. you will pray for Watergate!

**CHORUS**

**VOTE**

## A Swarm the Senate Hymnal from Sing Out, Louise!

### 1. NATIONAL ANTHEM *(Leydorf)*

O-oh, say, can you see, by the dawn's early light,  
Just how badly we failed? Don't you wish we were dreaming?  
This malevolent fraud from the farthest far right  
Went to Russia for help with his treasonous scheming.  
But the bigots don't care, or the bold billionaires—  
Their hatred and greed leave the world in despair.  
Oh, say, does that star-spangled banner yet wave?  
O'er the land of the free? Or the home of the slave?

### 2. BATTLE HIM *(Leydorf)*

Mine eyes have seen the story of the coming of the Trump.  
With a slew of lies he mobilized the moron and the chump.  
The country drank the Kool-aid down and landed on its rump,  
But we are marching on. Glory, glory hallelujah...

He's the cherry on the sundae of the racist and the rich,  
So afraid to pay their taxes, they will scratch a fascist itch.  
They believe he's Mussolini, but he's only Putin's bitch!  
Now we are marching on. Glory, glory hallelujah...

For his thievery in Kyiv the House impeached the lying lout.  
Now he's hatched a plan to bomb Iran and wag the dog about.  
The Senate's turn—they'll let us burn or throw the scoundrel out!  
Till then, we're marching on! **Glory, glory hallelujah...**

### 3. AMAZING DISGRACE *(Leydorf)*

Amazing disgrace, how sick the sight: Such hateful lunacy.

America must stand and fight to save democracy.

Disgraceful, how you wink and con, disgraceful, how you lie!

But justice always marches on: The truth can never die.

You're throwing children into jail—disgraceful, inhumane

Poor Lady Liberty is pale: She bows her head in shame.

You fascist fraud, you Russian tool, you kleptocratic clown—

You think you're God you filthy fool, but we will bring you down.

Amazing disgrace, it won't be long: Our independence day.

When we will right your every wrong & scrub your stench away.

### 4. AMERICA THE PITIFUL *(Leydorf)*

*So pitiful, the NRA:* A cult of guns and greed.  
And Congress only blocks the way & watches while we bleed.  
America! America! One hundred die each day  
In suicide and homicide, and all we do is pray.

*So pitiful, the KKK:* Still marching in their sheets!  
While Michael Brown & Freddie Gray get murdered in the streets!  
America! America! You just can't get it right—  
Why can't we see equality for black & brown & white?

*So pitiful, the toxic Trump:* You lie with every word.  
You Russian tool, you stupid chump. Your cabinet is absurd!  
America! America! It's just a TV show—  
It's comedy and tragedy. How could we stoop so low?

### 5. GOD, HELP AMERICA *(Leydorf)*

*God, help America—what have you done?*

Stand beside us and guide us thru the mess and distress you've begun.  
With your bigots and your gun nuts, every greedy billionaire!  
God, help America through this nightmare.

*Come on, America, stand up to hate—*

Don't divide us, unite us: You can't break us to make us more great  
Tell the bigots and the gun nuts, every greedy billionaire!  
Let's make America more free & fair!

God, help America thru this nightmare.

### 6. OVER THE RAINBOW *(Judy; Leydorf)*

*Somewhere over the rainbow,* love trumps hate.  
Black lives matter to all, and Muslims can immigrate.

*Somewhere over the rainbow,* we rejoice—  
Women get equal pay and make their own goddamn choice!

*Somewhere there is no Cheeto Czar*

and all the fascist fools are far behind me!

There's health care when you have an ache,  
& Christians have to bake gay cake with Hot! Pink! Icing!

*Oh, somewhere over the rainbow,* kids run free—

They're not locked up in prison, ripped from their families...

But facts are not alternative:

Let's bring the rainbow here & fight to live

### 7. PEOPLE'S HOUSE *(Rich Man's House; Leydorf/Fithian)*

Well we... came up from the People's House where we...

Took back what he stole from us. Took it back!

Took back our dignity. Took it back! Took back our democracy.

Well we've... come down to the Senate now, time to...

Stand up to the lies and hate. Stand on up!

Stand in solidarity. Stand on up! Stand up for equality.

Now we gotta convict, gotta remove,

gotta tell Mitch, we gotta prove

In America no man's abo-ove the law!

## 8. MAR-A-LAGO! ('Oklahoma!'; Leydorf/Herzog)

**Mar—a-Lago!** Where the lies are thicker than the steak!  
And the weekend set will not say nyet,  
if there's any law you want to break!

Mar—a-Lago! It's the wet dream of the GOP:

All the racist rats and kleptocrats dip a toe into the rising sea!  
But Putin is no nouveau riche, & he's got dopey Don on a leash!  
So when we say: WHOA! What did he do today? NO!  
We're only sayin' stay there for good: Mar-a-Lago!  
Mar-a-Lago! Oy vey!

**Mar—a-Lago!** It's a temple to vulgarity:

Where the crooked class, can raise a glass to expanding inequality!  
Mar—a-Lago! Where the mobsters pay each other off!  
And they pass a stash of dirty cash,  
while they play another round of golf!  
We know he belongs to old Vlad, cuz the cad is a tad like his dad!  
So when we say: WHOA! What did he do today? NO!  
We're only sayin' stay there for good: Mar-a-Lago!  
Mar-a-Lago! Oy vey!

**Mara-Lago! Mara-Lago!** Marla Maples! Marla Maples!  
Stormy Daniels! Omarosa!

We know that you signed an NDA, but we want you to talk anyway!  
So when we say: WHOA! What did he do today? NO!  
We're only sayin' stay there for good: Mar-a-Lago!  
Mar-a-Lago! M A R A L A G O Marala—GO!

## 9. WAGGIN' THE DOG (R. Thomas/Stones; Walker/Leydorf)

Donald Trump's down in the dumps.

Needs some chum to distract his chumps.

Here's a plan: War with Iran! Just break the country's attention span!

**CHORUS** Waggin' the dog. Just-a waggin' the dog!

**Wanna win in it in the Senate? Take a minute—  
Gotta wag the dog.**

Each election brings fresh new crimes.

It's a game they've played a million times.

Same old plan, new caravan: Get scary Muslims or Mexicans! **CHORUS**

Well the guy's run outta lies. How to make sure impeachment dies?

We go to war, his polls will soar—and re-election will be secure!

**CHORUS x3**

## 10. OVER THERE (George M. Cohan; Leydorf)

Over there! Over there! Send the word, Don the Turd's on a tear.

Giuliani's coming, Pompeo's coming,

Bill Barr's got plumbing, so prepare.

Gotta clear! Vladimir! Won't you say the dossier was a smear?

They'll be over, they're coming over,

and they won't be back till it's over over here.

## 11. FAVORITE THINGS (Miller/TJhung/Leydorf)

Building a wall between churches and congress  
Making a choice between rightness and wrongness  
Taking down tyrants who act like they're kings:

These are a few of my favorite things.

The right to gather and the 1st Amendment,  
Choices I'd rather and thoughts independent,  
Getting a lawyer when I'm in a fight: These are a few of my favorite rights.

**When the laws bend, when the feds cheat & I'm feeling mad,  
I simply remember the Constitution and then I don't feel so bad.**

Marching around when I'm angry with Congress,  
Shouting them down to make them keep their promise,  
Going to school, feeling safe day & night:

These are a few of my favorite rights.

**When the news sucks, when the jerks win & I'm feeling mad,  
I simply remember the Constitution and then I don't feel so bad.**

Flynn and McFarland and Corsi and Cohen.  
Manafort, Gates—and we're just getting goin'!

Pappawhatever and Sater and Stone:

Jared and Junior  
weren't acting alone!

Egorov, Kislyak, and Miss Butina.

Somebody Dutch I think  
came in betweena

Julian sending out key Wikileaks!

Devin and dozens of GOP freaks!

**Is your tongue tied?**

**Does your head spin?**

**Are you feeling mad?**

**Don't have to remember quite all of their names  
in Donny's big deal for Vlad!**

## 12. FASCIST USA ('Yellow Submarine'; Miller/Leydorf)

In the land where we were born, we fought wa-ars for equality

We defended human rights in the la-and of liberty

But the country took a turn, voted i-in...a crime machine

And we fell beneath the thumb of a fa-ascist tangerine...

**CHORUS** We won't live in a fascist USA, fascist USA,  
fascist USA!

**We won't live in a fascist USA, fascist USA, fascist USA!**

Well the Nazis scream & shout,

as they wo-o-ork to feed his greed

But the band begins to play... **KAZOO CHORUS**

We won't live a life of fear, tho he's gro-owing more obscene.

Skies are blue, while we resist... Screw the fa-ascist tangerine.

**CHORUS x2**

## 13. A.O.C. (Jackson Five; Leydorf)

**AOC—takin' down DJT. Stand up to the GOP!**

**AOC—dancin' free, baby, you and me, girl! x4**

**VOTE  
RESIST  
SING**  
SING OUT,  
LOUISE!

## 14. SHE IS WARREN\* (Helen Reddy; Leydorf/Parker-Russell)

She is Warren, hear her roar, got big plans you can't ignore—  
Gonna stand up to the banks and 1 percent.

Time to settle up the score, bring some justice to the poor—  
We will finally have a people's president!

Yes she will fight, nonetheless, she will persist.

Unite for civil rights, together we insist on a country...  
that can do anything!

We are strong (Strong)! We are invincible (Invincible)!  
We have Warren!

**\*SOL doesn't endorse primary candidates. But we love a badass!**

## 15. HERE SHE COMES AGAIN (Dolly Parton; Stein/Leydorf)

**Here she comes again**, just in time to get the country back together.

Thank God she's got the floor just like she did before—

It's Nancy's chance: gonna make things happen!

**Here she comes again**, to keep the country runnin'  
while the baby's cryin'.

He looks into our eyes, and lies his endless lies—

You saw the way impeachment day she took no prisoners!

She knew all along she had the votes to whack him with that gavel.

The Senate is a mess, but she's the antidote,

McConnell is no match, his rabble will unravel!

**Here she comes again**, lookin' tougher than a granny has a right to!

She's got tenacity to break the GOP—

Yeah here she comes again— **And there he goes!**

**(Here she comes again) and there he goes!** etc.

## 16. END OF THE WORLD (Carpenters; Leydorf)

We're not sweating this catastrophe. What's the difference,  
it's just 2 or 3 degrees?

Nothing flies in the sky, as the birds and bees all die.

We are sleeping as we slip beneath the seas.

Anything you want comes to your door.

You can fly around the world unless you're poor.

There's a sweet SUV for your growing family,  
and the nightly news that you can all ignore.

**We're at the end of the world, cooking all of creation**

**There's a mass extermination? We don't mind!**

**It's so stupid and cruel, but we love that fossil fuel.**

**Just keep dancing, it's the end of the world!**

Somethin' in the breeze carries disease;

down in Borneo they're burning all the trees;

And the fish are all sick, cuz the plastic's so thick.

You remember how the North Pole used to freeze?

So we shop ourselves into a hell.

Throw our children's future in the fire sale.

It's a sick fantasy but it beats reality.

Just keep dancing, it's the end of the world.

**We're at the end of the world, burning down all creation.**

**And the only explanation I can find—**

**We keep feeding our greed, while we watch the planet bleed.**

**Just keep dancing, it's the end of the world! x2**

## 17. McCONNELL ('Cecilia,' Simon & Garfunkel; Leydorf/Stein)

**McConnell, keep spinnin' your crime—**

We're sick of your slime, now it's over!

Mitch McConnell, we're done with your sleaze—  
we'll cure this disease, you are through.

**McConnell, we're breakin' your grip—**

We've takin' your trip, now it's over.

Mitch McConnell, run off with Elaine—

You might try Ukraine! You are through.... You are through.

Pack the courts, and attack the law,

Mitch McConnell, what were you up to?

Blocking bills! Now we know, old Moscow Mitch,

Servin' Don was a con—you were Vladimir's bitch.

**McConnell, keep spinnin' your crime—**

We're sick of your slime, now it's over!

Mitch McConnell, we're done with your sleaze—  
we'll cure this disease, you are through.

**McConnell, we're breakin' your grip—**

We've takin' your trip, now it's over.

Mitch McConnell, run off with Elaine—

You might try Ukraine! You are through.... You are through.

Bu-bu-bye-bye-bye! Bu-bu-bye-bye-bye-bye-bye!

Ruinatation! You played your last card. You're goin' down hard,  
Merrick's laughing!

Generations! In history class, will call you an ass & a traitor!

Whoa-oh-oh, oh-oh-oh-oh-oh, oh-oh-oh-oh-oh-oh etc.

## 18. EVERYONE KNOWS IT'S RUDY ('Windy'; Leydorf)

Who's jumpin' out in front of a camera,  
spinnin' his lies & slingin' his shit?

Who breaks the law and says he's a hero?

Everyone knows it's Rudy!

Who's goin' down on every dictator,

smilin' at treason, handin' out bribes?

Who's reachin' out to steal an election?

Everyone knows it's Rudy!

**CHORUS** But Rudy has squirmy eyes

**that bulge every time he lies**

**And Rudy, your lies don't fly**

**about Ukraine...**

**He can't explain. It's too insane.**

**He'll burst a vein!**

**KAZOO VERSE CHORUS**

Who's gettin' desperate,

lookin' real sweaty, shitting

a brick as justice gets near?

Who's headin' for a long

prison sentence?

Everyone knows it's Rudy!

**REMOVE  
TRUMP!**  
SING OUT,  
LOUISE!
